His Story

Alfred was born at Cranage in 1900, the son of John Thomas Hocknell, a farmer, (born about 1871 at Cranage) and Mary (born about 1867 in Shropshire). He had a brother, William Henry born about 1901.

In the 1901 Census the family were living at Hermitage Farm with Alfred aged 1. In the 1911 Census Alfred is at school at Cranage, aged 11.

His War Record

Although recorded on the Roll of Honour we have no information at all about his military career.

It is probable he joined at the end of the war bearing in mind his age and the position of his entry on the Church Roll of Honour.
