

Henry Taylor

Church Hulme

Killed in Action July 1917

His Story

So far we have not discovered the connection of Henry Taylor with Holmes Chapel except for references in the Parish Magazine.

When his death is reported in the magazine in March 1918, sympathy is also expressed to his widow so although married we have no other information.

His War Record

According to the Parish Magazine, in January 1917 he was reported out of hospital (reason not recorded) and in April 1917 was sent to the front. He was reported missing in July 1917 and in March 1918 officially reported killed in action.

His death is recorded on the Roll of Honour in St Luke's Church and on the war memorial.
