

John Yoxhall

Byley Lane, Cranage

Returned

His Story

John was born in June 1876 in Holmes Chapel and was still at school aged 14, living on Knutsford Road in Cranage.

He appears in the 1901 census, still living in Cranage and working on a farm, though it is not clear whether or not this was his father's farm, which was on Byley Lane past Cranage Hall.

He was certainly working there in 1911, aged 35 and married to Martha, originally from Stoke.

His War Record

John's service number was 242785 but little else is known about his wartime activities.

There is no information in the Parish Magazine but he is listed on the Roll of Honour.

He seems to have escaped injury.
